

PAUL PRESTON

213-820-1538

Paul has been a podcaster since 2013, evolving from being a writer and on-mic talent to adding the skills of being a full show producer, balancing and juggling schedules and tech elements.

Paul has secured and interviewed hundreds of guests, edited hundreds of podcast episodes and knows what makes them compelling and sound professional.

Paul is founder of TheMovieGuys.net (since 2009)
